

10 LITE GLASS DOOR

8889638400

- Features:** Solid Timber Construction
Dowel Pinned Mortice and Tenon Joints
Bevelled, Toughened Glass
- Dimensions:** H 2040 mm x W 820 mm x D 40 mm
- Colours:** Pine Raw (Untreated)
- Care Instructions:** Timber doors are a natural product and as such are susceptible to changes in the environment. Always store your raw doors flat, in a dry place, avoid freshly plastered rooms or other damp areas.
- Installation:** Exterior paint must be used on external doors.
Enamel or acrylic paint may be used on internal doors.
Prep the surface of the timber as required by the paint manufacturer.
Flashing and weather-stripping is recommended for external doors.

Please Note: Illustrations, photographs and specifications are not binding in detail. Items may vary in size - check all measurements on site before installation. Plumbing and electrical products must only be installed by a registered contractor.
